Those Shareholders who do wish to attend the Meeting in person, should carefully consider and follow the instructions of the federal Public Health Agency of Canada available at: <https://www.canada.ca/en/public-health/services/diseases/coronavirus-disease-covid-19.html>. We ask that Shareholders also review and follow the instructions of any regional health authorities of the Province of British Columbia, including the Vancouver Coastal Health Authority, the Fraser Health Authority and any other health authority holding jurisdiction over the areas you must travel through to attend the Meeting. Please do not attend the Meeting in person if you are experiencing any cold or flu-like symptoms, or if you or someone with whom you have been in close contact has travelled to/from outside of Canada within the 14 days immediately prior to the Meeting. All Shareholders are strongly encouraged to vote by submitting their completed form of proxy (or voting instruction form) prior to the Meeting by one of the means described in the Information Circular accompanying this Notice.

The Corporation reserves the right to take any additional pre-cautionary measures deemed to be appropriate, necessary or advisable in relation to the Meeting in response to further developments in the COVID-19 outbreak, including: (i) holding the Meeting virtually or by providing a webcast of the Meeting; (ii) hosting the Meeting solely by means of remote communication; (iii) changing the Meeting date and/or changing the means of holding the Meeting; (iv) denying access to persons who exhibit cold or flu-like symptoms, or who have, or have been in close contact with someone who has, travelled to/from outside of Canada within the 14 days immediately prior to the Meeting; and (v) such other measures as may be recommended by public health authorities in connection with gatherings of persons such as the Meeting. We strongly recommend you check the Corporation's website prior to the Meeting for the most current information. **IN THE EVENT OF ANY CHANGES TO THE MEETING FORMAT DUE TO THE COVID-19 OUTBREAK, THE CORPORATION WILL NOT PREPARE OR MAIL AN AMENDED NOTICE, INFORMATION CIRCULAR OR MEETING MATERIALS.**

Appointment and Revocation of Proxies

The persons named in the accompanying form of proxy are directors of the Corporation. **A shareholder desiring to appoint some other person (who need not be a shareholder) to represent him or her at the meeting may do so, either by striking out the printed names and inserting the desired person's name in the blank space provided in the form of proxy or by completing another proper form of proxy and in either case delivering the completed proxy to the office of Olympia Trust Company, PO Box 128, STN M, Calgary, AB T2P, Attn: Proxy Dept., or deliver it by fax to 403.668.8307, or to the Corporation's office, not less than forty-eight (48) hours (excluding Saturdays, Sundays and holidays) before the time fixed for the Meeting.**

The chair of the Meeting will have the discretion to accept or reject proxies otherwise deposited.

A shareholder who has given a proxy may revoke it by an instrument in writing delivered to the said office of Olympia Trust Company or the Corporation's office at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or to the chair of the Meeting, or in any manner provided by law.

Proxy Instructions

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. The securities represented by the proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for. If the shareholder specifies a choice with respect to any matter to be acted upon, the securities will be voted accordingly.

The form of proxy confers authority upon the named proxyholder with respect to matters identified in the accompanying notice of Meeting. **If a choice with respect to such matters is not specified, it is intended that the person designated by management in the form of proxy will vote the securities represented by the proxy in favour of each matter identified in the proxy and for the nominees of management for directors and auditors.**

The proxy confers discretionary authority upon the named proxyholder with respect to amendments to or variations in matters identified in the accompanying Notice of Meeting and other matters which may properly come before the Meeting. At the date of this Information Circular, management is not aware of any amendments, variations, or other matters which might be brought before the Meeting. If such should occur, the persons designated by management will vote thereon in accordance with their best judgment, exercising discretionary authority.

Non-Registered Holders

Only shareholder whose name appears on the records of the Corporation as the registered holder of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the corporation are "non-registered" shareholders because the shares they own are not registered in their names but instead are registered in the name of a nominee such as a brokerage firm through which they purchased the shares; a bank, trust company, trustee or administrator of self-administered TFSA's, RRSP's, RRIF's, RESP's and similar plans; or a clearing agency such as The Canadian Depository for Securities Limited (a "Nominee"). If you purchased your shares through a broker, you are likely an unregistered holder.

In accordance with securities regulatory policies, the Corporation has distributed copies of the Meeting materials, being the Notice of Meeting, this Information Circular and the Proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order to ensure that your Shares are voted at the Meeting.

In addition, Canadian securities legislation now permits the Corporation to forward meeting materials directly to "non-objecting beneficial owners". These materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you,

your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding securities on your behalf. By choosing to send these materials to you directly, the Corporation (and not the Nominee holding shares on your behalf) has assumed responsibility for: (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Notice

Compensation Discussion and Analysis

This compensation discussion and analysis describes and explains the Corporation's current policies and practices with respect to compensation paid or that will be paid to each of its NEOs.

Past guidelines adopted by the Corporation in establishing appropriate executive compensation for the NEOs have adopted the principal that the amount of executive compensation should be based on the need to adopt a compensation package that would allow the Corporation to attract and retain qualified and experienced executives (when required) willing to assume any and all responsibilities required by the Corporation in order to maintain its day to day operations and fulfill administrative responsibilities.

The policies adopted by the Corporation are summarized under Corporate Governance the "**Compensation Committee**".

The share-purchase options are granted in consideration of the level of responsibility of the executive as well as his or her impact to the longer-term operating performance of the Corporation. STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board of Directors (the “**Board**”), the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Corporation. National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), the Corporation is required to disclose its corporate governance practices, as summarized below. The Board of Directors will continue to monitor such practices on an ongoing basis and, when necessary, implement such additional practices as it deems appropriate.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A “material relationship” is a relationship which could, in the view of the Corporation’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Corporation’s Board facilitates its exercise of independent judgement in carrying out its responsibilities by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Corporation’s Board requires management to provide complete and accurate information with respect to the Corporation’s activities and to provide relevant information concerning the industry in which the Corporation operates in order to identify and manage risks. The Corporation’s Board is responsible for monitoring the Corporation’s officers, who in turn are responsible for the maintenance of internal controls and management information systems.

Currently, the Corporation’s board has two independent members, being Chris Healey and Dillon Sharan. The non-independent members are Jevin Werbes, President and CEO and Braden Jensen, CFO.

New directors are also required to meet with management of the Corporation to discuss and better understand the Corporation's business and are given the opportunity to meet with counsel to the Corporation to discuss their legal obligations as director of the Corporation.

In addition, management of the Corporation takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies which may affect the directors, officers and committee members of the Corporation as a whole. The Corporation continually reviews the latest securities rules and policies and is on the mailing list of the TSX Venture Exchange (the "TSXV") to receive updates to any of those policies. Any such changes or new requirements are then brought to the attention of the Corporation's directors either by way of director or committee meetings or by direct communications from management to the directors.

Ethical Business Conduct

The Corporation's Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the board in which the director has an interest have been sufficient to ensure that the board operates independently of management and in the best interests of the Corporation. Further, the Corporation's auditor has full and unrestricted access to the Audit Committee at all times to discuss the audit of the Corporation's financial statements and any related findings as to the integrity of the financial reporting process.

Nomination of Directors

The Corporation's Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Corporation's Board does not have a nominating committee, and these functions are currently performed by the Corporation's Board as a whole. However, if there is a change in the number of directors required by the Corporation, this policy will be reviewed.

Compensation

The Compensation Committee is comprised of Chris M. Healey (Chair) and Dillon Sharan, all of whom have been determined by the Board to be independent under NI 58-101. The Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to each of the areas discussed below

As discussed above, responsibility for matters relating to the overall compensation philosophy and guidelines for the directors and officers of the Corporation lies with the Compensation Committee. The Compensation Committee annually reviews and recommends to the Board, the adequacy and form of compensation of the directors of the Corporation in light of the responsibilities and risks involved in being such a director. The Compensation Committee is also responsible for annually evaluating the performance of the Chief Executive Officer of the Corporation and recommending to the Board his or her annual compensation package.

Other Board Committees

The Board has no other committees other than the Audit Committee and Compensation Committee.

Assessments

The Board annually, and at such other times as it deems appropriate, reviews the performance and effectiveness of the Board, the directors and its Audit Committee to determine whether changes in size, personnel or responsibilities are warranted. To assist in its review, the Board conducts informal surveys of its directors, and reports from the Audit

Committee respecting its own effectiveness. As part of the assessments, the Board or the committee may review their respective mandate or charter and conduct reviews of applicable corporate policies.

Diversity on the Board of Directors and among Executive Officers

The Corporation does not currently have a formal diversity policy in place regarding gender representation on the Board or in executive officer positions. The Corporation believes in retaining the most qualified candidate for any position irrespective of gender, and recruitment efforts will continue to be governed by the principles set forth below.

The Corporation does not discriminate on the basis of race, national or ethnic origin, colour, religion, sex, age or mental or physical disability, or any other prohibited grounds of discrimination set forth in applicable federal or provincial law or guidelines. Directors, officers, contractors, consultants and employees are retained on the basis of their background, skills, relevant experience, education and potential to contribute to the success of the Corporation. In addition, candidates for Board membership are evaluated based upon their independence, qualifications to act as directors and other qualities which the board as a whole feels are appropriate to assist it in operating in an effective manner, with due regard for the benefits of diversity. Taken together, these diverse skills and backgrounds help to create a business environment that encourages a range of perspectives and fosters excellence in corporate governance, including the creation of shareholder value. Candidates for Board membership who are selected for nomination by the Board (or any committee of the Board established for such purpose from time to time) based on the foregoing criteria will be presented to shareholders for consideration without discrimination.

Mandate of the Board

The mandate of the Board, as prescribed by the Business Corporations Act (British Columbia), is to manage or supervise the business and affairs of the Corporation and to act with a view to the best interests of the Corporation. In fulfilling its mandate, the Board, among other matters, is responsible for reviewing major strategic initiatives to ensure that the Corporation's proposed actions accord with shareholder objectives; reviewing and approving the reports and other disclosure issued to shareholders; ensuring the effective operation of the Board; and safeguarding shareholders' equity interests through the optimum utilization of the Corporation's capital resources.

Meetings of the Board

Board meetings are called to deal with special matters as circumstances require. The Board met 4 times formally during 2022, and met informally on numerous occasions to review and consider the Corporation's exploration project and the financial condition of the Corporation. Most matters requiring approval of the Board are approved by circulating consent resolutions for the Board's signature.

Compensation Committee

The Corporation's Compensation Committee is currently comprised of Chris M. Healey (Chair) and Dillon Sharan. The Compensation Committee met zero times formally during the 2022 year.

A Compensation Committee is expected to follow the following tentative guidelines:

a) Philosophy and Objectives

The compensation program for senior management of the Corporation has been designed to ensure that the level and form of compensation achieves certain objectives, including:

- I. attracting and retaining talented, qualified and effective executives;
- II. motivating the short and long term performances of these executives; and
- III. better aligning their interests with those of the Corporation's shareholders.

In compensating its senior management, the Corporation employs a compensation package which includes any of a base salary, bonus compensation and equity participation through its stock option plan or all such forms of compensation.

b) Base Salary

In the view of the Corporation, paying base salaries which are competitive in the markets in which the Corporation operates is a first step to attracting and retaining talented, qualified and effective executives. Competitive salary information on companies earning comparative revenues in a similar industry is compiled from a variety of sources, including published surveys derived from national and international publications.

c) Long Term Compensation

The Corporation has no long-term incentive plans other than its incentive stock option plan (the "Plan"). The Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Compensation Committee believes that the Plan aligns the interests of senior management with shareholders by linking a component of executive compensation to the longer term performance of the Corporation's common shares.

Options annually will be recommended by the Compensation Committee. In monitoring or adjusting the option allotments, the Compensation Committee takes into account the level of options granted for similar levels of responsibility and considers each member of senior management or employee based on reports received by managements own observations on individual performance (where possible) and management assessment of individual contribution to shareholder value, previous options grants and the objectives set for the parties being compensated. The scale of options will generally be commensurate with the appropriate level of base compensation for each level of responsibility.

In addition to determining the number of options to be granted pursuant to the methodology outlined above, the Compensation Committee also makes the following determinations:

- The NEO's and others who are entitled to participate in the Plan;
- The exercise price for each stock option granted, subject to the provision that the exercise price cannot be lower than the market price on the date of grant;
- The date on which each option is granted;
- The vesting period, if any, for each stock option; and
- The other material terms and conditions of each stock option grant.

The Compensation Committee makes these determinations subject to and in accordance with the provisions of the Plan. The Board reviews and approves grants of options on an annual basis.

All of the NEO's are entitled to participate in the Corporation's Plan.

d) Cash Incentive Compensation

The Corporation's primary objective is to aim to achieve certain strategic objectives and milestones. The Corporation may approve executive bonus compensation dependent upon the Corporation meeting those strategic objectives and milestones and sufficient cash resources being available for the granting of bonuses. There were no bonuses paid to any of the Named Executive Officers during the most recently completed fiscal year.

e) Equity Participation

The Corporation believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is accomplished through the Corporation's stock option plan. Stock options are granted to senior executives taking into account a number of factors, including the amount and term of options previously granted, base salary and bonuses and competitive factors. Options are generally granted to senior executives which vest immediately.

Given the evolving nature of the Corporation's business, the Board continues to review and redesign the overall compensation plan for senior management so as to continue to address the objectives identified above.

f) Compensation of the Named Executive Officers

The compensation of each of the Named Executive Officers is approved annually by the Board. Base cash compensation and variable cash compensation levels will take into consideration market survey data provided to the Board by independent consultants.

g) Actions, Decisions or Policies made after October, 2021

Given the evolving nature of the Corporation's business, the Corporation continues to review and redesign the overall compensation plan for senior management so as to continue to address the objectives identified above.

This Compensation Discussion and Analysis was completed by the Board of the Corporation.

 - (i) the number of Shares reserved for issuance pursuant to Options to any one Optionee shall not exceed 5% of the issued Shares in any 12-month period

6.4 **Uniformity** - Except as expressly provided herein, nothing contained in this Plan shall require that the terms and conditions of Options granted under the Plan be uniform.

7. EXERCISE OF OPTION

- 7.1 **Method of Exercise** - Subject to any limitations or conditions imposed upon an Optionee pursuant to the Option Agreement or Section 6 hereof, an Optionee may exercise an Option by giving written notice thereof, specifying the number of Shares in respect of which the Option is exercised, to the Company at its principal place of business at any time after the Date of Grant until 4:00 p.m. (Vancouver time) on the last day of the Term, such notice to be accompanied by full payment of the aggregate Option Price to the extent the Option is so exercised. Such payment shall be in lawful money (Canadian funds) by cash, cheque, bank draft or wire transfer. Payment by cheque made payable to the Company in the amount of the aggregate Option Price shall constitute payment of such Option Price unless the cheque is not honoured upon presentation, in which case the Option shall not have been validly exercised.
- 7.2 **Issuance of Certificates** - Not later than the third business day after exercise of an Option in accordance with Section 7.1, the Company shall issue and deliver to the Optionee a certificate or certificates evidencing the Shares with respect to which the Option has been exercised. Until the issuance of such certificate or certificates, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to such Shares, notwithstanding the exercise of the Option. No adjustment will be made for a dividend or other right for which the record date is prior to the date the certificate is issued, except as provided by Section 10 hereof.
- 7.3 **Compliance with U.S. Securities Laws** - As a condition to the exercise of an Option, the Board may require the Optionee to represent and warrant in writing at the time of such exercise that the Shares are being purchased only for investment and without any then-present intention to sell or distribute such Shares. At the option of the Board, a stop transfer order against such Shares may be placed on the stock books and records of the Company and a legend, indicating that the stock may not be pledged, sold or otherwise transferred unless an opinion of counsel is provided stating that such transfer is not in violation of any applicable law or regulation, may be stamped on the certificates representing such Shares in order to assure an exemption from registration. The Board may also require such other documentation as may from time to time be necessary to comply with United States federal and state securities laws. The Company has no obligation to undertake registration of Options or the Shares issuable upon the exercise of the Options.

8. TRANSFERABILITY OF OPTIONS

- 8.1 **Non-Transferable/Legending** - Except as permitted by applicable securities laws and the policies of the Exchange, and as provided otherwise in this Section 8, Options are non-assignable and non-transferable. when incentive stock options are granted by the Issuer to a Person(s) with an exercise price that is less than the applicable Market Price.

- 8.2 **Death of Optionee** - Subject to Section 8.3, if the employment of an Optionee as an Employee of, or the services of a Consultant providing services to, the Company or any Subsidiary Company, or the employment of an Optionee as an individual providing Investor Relations Activities, or the position of the Optionee as a director or senior officer of the Company or any Subsidiary Company, terminates as a result of such Optionee's death, any Options held by such Optionee shall pass to the Qualified Successor of the Optionee and shall be exercisable by such Qualified Successor until the earlier of a period of not more than one year following the date of such death and the expiry of the Term of the Option.
- 8.3 **Disability of Optionee** - If the employment of an Optionee as an Employee of, or the services of a Consultant providing services to, the Company or any Subsidiary Company, or the employment of an Optionee as an individual providing Investor Relations Activities for the Company, or the position of the Optionee as a director or senior officer of the Company or any Subsidiary Company, is terminated by reason of such Optionee's Disability, any Options held by such Optionee that could have been exercised immediately prior to such termination of employment or service shall be exercisable by such Optionee, or by his Guardian, for a period of 30 days following the termination of employment or service of such Optionee. If such Optionee dies within that 30-day period, any Option held by such Optionee that could have been exercised immediately prior to his or her death shall pass to the Qualified Successor of such Optionee, and shall be exercisable by the Qualified Successor until the earlier of a period of 30 days following the death of such Optionee and the expiry of the Term of the Option.
- 8.4 **Vesting** - Options held by a Qualified Successor or exercisable by a Guardian shall, during the period prior to their termination, continue to vest in accordance with any vesting schedule to which such Options are subject. No vesting period imposed on Options granted to persons performing Investor Relation Activities can be accelerated without the prior written approval of the Exchange.
- 8.5 **Deemed Non-Interruption of Employment** - Employment shall be deemed to continue intact during any military or sick leave or other bona fide leave of absence if the period of such leave does not exceed 90 days or, if longer, for so long as the Optionee's right to reemployment with the Company or any Subsidiary Company is guaranteed either by statute or by contract. If the period of such leave exceeds 90 days and the Optionee's reemployment is not so guaranteed, then the Optionee's employment shall be deemed to have terminated on the ninety-first day of such leave.

9. **TERMINATION OF OPTIONS**

- 9.1 **Termination of Options** - To the extent not earlier exercised or terminated in accordance with Section 8, an Option shall terminate at the earliest of the following dates:
- (a) the termination date specified for such Option in the Option Agreement;
 - (b) where the Optionee's position as an Employee, a Consultant, a director or a senior officer of the Company or any Subsidiary Company, or an individual providing Investor Relations Activities for the Company, is terminated for cause, the date of such termination for cause;
 - (c) where the Optionee's position as an Employee, a Consultant, a director or a senior officer of the Company or any Subsidiary Company or an individual providing Investor Relations Activities for the Company terminates for a reason other than the Optionee's

Disability or death or for cause, not more than 90 days after such date of termination or, if the Shares are listed only on the TSXV and if the Company is designated as a "Tier 2" listed company by the TSXV, then in the case of a person employed to provide Investor Relations Activities, not more than 30 days after such person ceases to be employed to provide Investor Relations Activities; PROVIDED that if an Optionee's position changes from one of the said categories to another category, such change shall not constitute termination or cessation for the purpose of this Subsection 9.1(c); and

(d) the date of any sale, transfer, assignment or hypothecation, or any attempted sale, transfer, assignment or hypothecation, of such Option in violation of Section 8.1.

9.2 **Lapsed Options** - If Options are surrendered, terminate or expire without being exercised in whole or in part, new Options may be granted covering the Shares not purchased under such lapsed Options. If an Option has been surrendered in connection with the regranting of a new Option to the same Optionee on different terms than the original Option granted to such Optionee, then, if required, the new Option is subject to approval of the Exchange.

9.3 **Exclusion From Severance Allowance, Retirement Allowance or Termination Settlement** - If the Optionee retires, resigns or is terminated from employment or engagement with the Company or any Subsidiary Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Option Shares which were not vested at that time or which, if vested, were cancelled, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

10. **ADJUSTMENTS TO OPTIONS**

10.1 **Alteration in Capital Structure** - If there is any change in the Shares through or by means of a declaration of stock dividends of the Shares or consolidations, subdivisions or reclassifications of the Shares, or otherwise, the number of Shares available under the Plan, the Shares subject to any Option and the Option Price therefor shall be adjusted proportionately by the Board and, if required, approved by the Exchange, and such adjustment shall be effective and binding for all purposes of the Plan.

If prior to the complete exercise of any Option, the Shares are consolidated, subdivided, converted, exchanged or reclassified or in any way substituted for (collectively the "Event"), the Option, to the extent that it has not been exercised, shall be adjusted by the Board in accordance with such Event in the manner the Board deems appropriate. No fractional Shares shall be issued upon the exercise of the Options and accordingly, if as a result of the Event an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded. Additionally, no lots of Shares in an amount less than 500 Shares shall be issued upon the exercise of the Options unless such amount of Shares represents the balance left to be exercised under the Options.

10.2 **Effect of Amalgamation, Merger or Arrangement** - If the Company amalgamates, merges or enters into a plan of arrangement with or into another corporation, any Shares receivable on the exercise of an Option shall be converted into the securities, property or cash which the Optionee would have received upon such amalgamation, merger or arrangement if the Optionee had exercised the Option immediately prior to the record date applicable to such amalgamation, merger or arrangement, and the exercise price shall be adjusted proportionately by the Board and such adjustment shall be binding for all purposes of the Plan.

- 10.3 **Acceleration on Change in Control** - Upon a Change in Control, all Options save and except for options granted to Investor Relations providers and not yet vested shall become immediately exercisable, notwithstanding any other contingent vesting provisions to which such Options may have otherwise been subject. For greater clarity, no vesting period imposed on Options granted to persons performing Investor Relation Activities can be accelerated without the prior written approval of the Exchange.
- 10.4 **Acceleration of Date of Exercise** - Subject to the approval of the Exchange, if required, the Board shall have the right to accelerate the date of vesting of any portion of any Option which remains unvested. For greater clarity, no vesting period imposed on Options granted to persons performing Investor Relation Activities can be accelerated without the prior written approval of the Exchange.
- 10.5 **Determinations to be Binding** - If any questions arise at any time with respect to the Option Price or exercise price or number of Option Shares or other property deliverable upon exercise of an Option following an event referred to in this Section 10, such questions shall be conclusively determined by the Board, whose decisions shall be final and binding.
- 10.6 **Effect of a Take-Over** - If a *bona fide* offer (the "Offer") for Shares is made to an Optionee or to shareholders generally or to a class of shareholders which includes the Optionee, which Offer constitutes a take-over bid within the meaning of the Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon any Option held by an Optionee may be exercised in whole or in part, notwithstanding any contingent vesting provisions to which such Options may have otherwise been subject, by the Optionee so as to permit the Optionee to tender the Shares received upon such exercise (the "Optioned Shares") to the Offer. If
- (a) the Offer is not completed within the time specified therein; or
 - (b) all of the Optioned Shares tendered by the Optionee pursuant to the Offer are not taken up and paid for by the offeror pursuant thereto;
- the Optioned Shares or, in the case of clause (b) above, the Optioned Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Optioned Shares, the Option shall be reinstated as if it had not been exercised. If any Optioned Shares are returned to the Company under this Section, the Company shall refund to the Optionee any Option Price paid for such Optioned Shares. Notwithstanding the above, no vesting period imposed on Options granted to persons performing Investor Relation Activities can be accelerated without the prior written approval of the Exchange.
- 10.7 **Regulatory Approval** - Notwithstanding the above, any adjustments other than in connection with share consolidation or share subdivision, to any Options granted under this Plan, together with any other Security Based Compensation Plan, is subject to the prior acceptance of the Exchange including any adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

11. APPROVAL, TERMINATION AND AMENDMENT OF PLAN

- 11.1 **Shareholder Approval** - This Plan, if the Shares are listed only on the TSXV, is subject to:
- a) shareholder approval on a yearly basis at the Company's next ensuing annual general meeting;
- and

b) disinterested shareholder approval if:

B) the grant to Insiders, within a 12 month period, of a number of options exceeding 10% of the issued shares, or

(ii) the Issuer reduces the exercise price of a stock option, or extends the term of a stock option, to any previously granted stock options if the Optionee is an Insider at the time of the amendment

11.2 **No Grant During Suspension of Plan** - No Option may be granted during any suspension, or after termination, of the Plan. Amendment, suspension or termination of the Plan shall not, without the consent of the Optionee, alter or impair any rights or obligations under any Option previously granted.

12. **CONDITIONS PRECEDENT TO ISSUANCE OF SHARES**

12.1 **Compliance with Laws** - Shares shall not be issued with respect to an Option unless the exercise of such Option and the issuance and delivery of such shares shall comply with all relevant provisions of law, including, without limitation, any applicable United States state securities laws, the Securities Act of 1933, as amended, the rules and regulations thereunder and the requirements of any Exchange or automated interdealer quotation system of a registered national securities association upon which such Shares may then be listed or quoted, and such issuance shall be further subject to the approval of counsel for the Company with respect to such compliance, including the availability of an exemption from registration for the issuance and sale of such Shares. The inability of the Company to obtain from any regulatory body the authority deemed by the Company to be necessary for the lawful issuance and sale of any Shares under this Plan, or the unavailability of an exemption from registration for the issuance and sale of any Shares under this Plan, shall relieve the Company of any liability with respect to the non-issuance or sale of such Shares other than with respect to a refund of any Option Price paid.

13. **USE OF PROCEEDS**

13.1 **Use of Proceeds** - Proceeds from the sale of Shares pursuant to the Options granted and exercised under the Plan shall constitute general funds of the Company and shall be used for general corporate purposes, or as the Board otherwise determines.
